

# What is the UNP Mission Concepts Summer Series?

## Helping Schools & Students Get Ready for Space Opportunities

- The next UNP full cycle begins in 2024, now is the time to prepare!
- High barrier to entry
  - Full satellite development is not easy
  - UNP cycle has aggressive schedule
- Support/grow universities, teams, and professors
  - Prepare teams for full UNP cycle (full satellite build)
  - Prepare teams for NASA's CSLI
- Improve university proposals
